# MEET THE SPEAKERS

## LEANNE FOELL

Leanne loves helping youth navigate the unique challenges that come with finding their identity. She helps teens dealing with issues that make them feel misunderstood, unmotivated, or not good enough.

Leanne specializes in the “stuck teen,” experiencing depression, anxiety, low self-esteem, and frustration with those around them.

FAVORITE GAME: ANY TYPE OF TRIVIA GAME

## CANDICE BAILEY

Candice currently serves as the Project Prevent Supervisor.

With 9 years experience in Respiratory Therapy and Epidemiology, this program is a perfect match for her skill set.

She is excited to cultivate a partnership with our chapters to improve the health of the children of Arkansas.

FAVORITE GAME: TABOO

## LT. JACKSON

Lt. Jackson has spent the last 21 years in law enforcement, with most of that time being spent in the Benton School District as a school resource officer.

He has taught on many aspects of law enforcement, including the health risks and law enforcement actions of tobacco use in regards to juvenile use.
